

Moves Like Sensei

(Music by Maroon 5 / Arrangement, Production and Lyrics by Sorin Pavelesco)

Verse

His gi is so white
And it smells good
His stances are wide
And he breaks wood
If you're out of line
He'll use the shenai
I swear you'll behave

Just do what he says
Don't ask why
Ichi, ni, san, shi, go
Don't forget to kiai
He'll put you away
No matter what day
I swear you'll obey

And it goes like this

Chorus

Grab me by the hand
And I'll show you
How to break an arm
I'll show you

All the moves like Sensei
I've got the moves like Sensei
I've got the moves like Sensei

Punch me in the face
And I'll show you
Kick me down below
And I'll block you

With the moves like Sensei
I've got the moves like Sensei
I've got the moves like Sensei

Moves Like Sensei

(Music by Maroon 5 / Arrangement, Production and Lyrics by Sorin Pavelesco)

Verse

He'll make you compete
And win first place
The trophies are neat
There's blood on your face
But when you're with him
It beats any gym
Let's go Kyokushin

He'll push you so hard
You might cry
Just keep up your guard
Gedan barai
You have to repeat
And no you can't cheat
Be fast on your feet

And it goes like this

Chorus

Grab me by the hand
And I'll show you
How to break an arm
I'll show you

All the moves like Sensei
I've got the moves like Sensei
I've got the moves like Sensei

Punch me in the face
And I'll show you
Kick me down below
And I'll block you

With the moves like Sensei
I've got the moves like Sensei
I've got the moves like Sensei

Moves Like Sensei

(Music by Maroon 5 / Arrangement, Production and Lyrics by Sorin Pavelesco)

Verse

If you wanna know
What makes him strong
He does a thousand squats
All night long
Then he adds some pushups
And then some sit ups
Nobody else can do this

So watch and learn
He won't show you twice
If you're bruised and sore
Just put some ice
But if I share his secret
You're gonna have to keep it
Nobody else can know this

And it goes like this

Chorus

Grab me by the hand
And I'll show you
How to break an arm
I'll show you

All the moves like Sensei
I've got the moves like Sensei
I've got the moves like Sensei

Punch me in the face
And I'll show you
Kick me down below
And I'll block you

With the moves like Sensei
I've got the moves like Sensei
I've got the moves like Sensei
